“ I met Larry at Indiana Central College in the 60s and found out we
both worked at Indiana National Bank. We have been friends ever
since then. I worked in the branches for about 20 years and then in
INB Mortgage Corp until I retired. I will miss him very much. My
condolences to the family.

“ I met Larry in the late 70's to early 80's. I was the manager of the Tower Banking Center located on the first floor of the INB Tower.

Those of you who knew Larry will confirm that he never met a stranger. One day he found his way into my office and we hit it off swimmingly. We would always find each other at the annual INB Luncheon.

He shared his knowledge of the accounting world of banking at that time in history.

Throughout the years he would stop by, always with a smile and engaging laugh.

He will be missed by the INB family.

God bless his family
