“ Our relationship began over 38 years ago when I met Laura working at National Aluminum! We became instant friends both personal and spiritual. She always had a beautiful smile which came from her love of God, which is what we shared! Then about a year and half later she introduced me to her brother Mark whom I was blessed to marry. Our friendship grew even more and I was privileged to visit the Greenfield church and hear Laura sing, what a beautiful voice she had for her God. She loved Bill and her children so much, always caring for her mother until her passing and her family. How blessed I've been to call this amazing lady my sister-in-law!

“ I had the privilege of meeting Laura about 35 years ago. We later became closer and I came to know that she was truly a beautiful and loving person. She was kind and genuine. She was the same in private as she was in public. It was a joy to hear her sing. I am thankful to have known her.

“ I may not know her personality but I know some of the family. They have lost loved ones over the years and it is so sad. I hope the family will stay strong as best as they can as another loved one goes to heaven to become an angel. May she rest in peace but never forgotten
