“ Mel was one of the finest men I ever knew in the automobile industry. From his years at Ford Motor Company through his many years of service at Capitol City Ford, the first word I thought of whenever I saw him was "integrity". When ever I was in Capitol City Ford, I made it a point to spend some time with Mel. I knew my day would be better for it. It was a privilege to know Mel. My thoughts and prayers are with Mel's family.

“ Papa I will miss you. I remember as a young girl looking forward to our games of playing checkers and cards. You will forever be in my heart. Love you.
