“ I knew Leonel when he was a very young boy. He used to play at our house with our son Chris Murphy. We just discovered that he had passed on. I was so shocked and saddened to hear that news. We called him "Illo". That was his nickname. He was such a nice young boy. I would like to tell his family how sorry I was to hear about this. He spent many many hours at our house playing. My wife Lupe, was also shocked and saddened. We both want to pass along our condolences to the entire family. Craig, Lupe, Chris and Catherine Murphy.

“ It seems like yesterday when we were roommates in Broad Ripple. I remember this high-energy, fun-loving guy who was in the middle of all the crazy times we had. But underneath it all was a thoughtful, intelligent and kind person. The type of guy that adopted a stray cat. The type of guy that would take time to listen and talk to you when things weren't going well. A gentle soul that you could always count on. I'm not sure he would want me to use the word gentle - sorry man - but I think it's appropriate. I simply can't believe he's gone. My most sincere condolences to Dubi, Kim and your entire family....

“ *Our paths crossed only a few times via Leonel's sister Kim - I was drawn to him immediately. He left an impact as he was intelligent, funny & tender & sometimes a little irreverent! But somehow he could get away with it! A cool guy to hang with. So sad for Kim & Dubi and his mother & all he left behind who knew and loved him. May God in his wisdom give you peace & in his love surround you with people who will lift you up. Love you all.*

“ I am very sorry and was so shocked to hear of Leonel's passing. Thoughts of him, his family and loved ones has been on my mind/heart since that time.
I became Leonel's supervisor just within the last few months and only knew him for a very short time. He was very dedicated to performing his job well and it was a pleasure and an honor to have met and worked with him. To his family and loved ones: My continual thoughts and prayers are with you and I'm certain God can/will provide the comfort that only He can give during this difficult time. God Bless You!!!!

“ EO, You are loved so very much and will be missed more than you could ever imagine. Dubi & Kim, my prayers are with you always ... I love you.

Do not stand at my grave and weep,

I am not there - I do not sleep.

I am the thousand winds that blow,

I am the diamond glints in snow,

I am the sunlight on ripened grain,

I am the gentle autumn rain.

As you awake with morning's hush

I am the swift-up-flinging rush

Of quiet birds in circling flight.

Do not stand at my grave and cry,

I am not there - I did not die.

“ *Leonel was a wonderful man and a great person to work with. He had a great sense of humor, a good work ethic, and he was a team player, helping everyone he worked with. He was happy and fun-loving and always was playing practical jokes on me. He was a friend and I wish I had to time to get to know him better. I am so sad to loose him but I guess God had much greater things in mind for him.*

“ *Leonel was a great young man who was taken from us way too early in life! I had the great honor of being his manager and you would never find a young man who worked harder than he did, and he was always willing to do whatever was asked of him. He was a blast to work with and always had a great sense of humor! We have lost a great young man but we will never forget him! To his family, you are definitely in our prayers and thoughts and pray that The Lord will give you an extra measure of strength during this time of mourning!*

“ My name is Emily and Leonel and I started working at FedEx together at the same time. He was always offering a helpful hand and sharing his sense of humor I loved with everyone. We shared the same love for animals and motorcycles and I will always remember Leonel as the genuine friend/coworker he was. I'm going to miss his contagious laugh and handsome smile the most. He seemed more youthful than his interrupted years, a better person than many who remain. Ride high, Leonel. Thanks for the laughs. I'll see you again. #LiveLikeLeonel
