“ Leslie was not only my wonderful wife, she was truly my soulmate. A gift from God, giving me three wonderful children we so much cherished throughout our 35 wonderful years of marriage. We did not have a funeral for that was her wishes which she had told us on numerous occasions. Myself , Alicia, Brandon, Morgan, my sister Patty and her husband Glen had a private viewing for us to say Goodbye, and tell Leslie I will see her when my journey on Earth is over. I also want everyone to know Leslie passed quickly, and from everything we know, she did not suffer. Her death was listed as, "Sudden Unexplained Death In Epilepsy".

“ Sending my heartfelt condolences to Leslie's family and friends, Leslie and I have worked very closely together the past several months, she always had a positive attitude and was determined to offer our customers only the BEST service. Leslie took great pride in her work, but it was clear the light of her world was her family. We enjoyed sharing stories about life and she often talked so lovingly about her three children, husband, and siblings. Leslie was admirably open about her Christian faith - I am thankful that our paths crossed and to know that she is in peace. Sending prayers of peace and comfort to you, Doug, Alicia, Brandon, and Morgan.

“ Dear Doug, Alicia, Brandon and Morgan,

We pray every night for you all. I hardly have words to express how much I loved Leslie and what her friendship meant to me. I am so thankful for the time I did have with her, but we are all grieving alongside you with the loss. We were always looking for a time to get back together again for a visit. My only solace is thinking how I look forward to seeing her in heaven! We love you all dearly and will continue to pray for strength and comfort for you all.

“ I was fortunate to have known Leslie from the start of her AB career. She and I would back each other as DSS's. We were an awesome team often in tight but friendly competition with each other for the top 2 positions for SLA scores nationwide!! Even as we both moved onto new roles within AB we would still reach out to each other if something stumped us. She was always willing to assist with anything if you needed help, a very thoughtful and purely kind person. I am truly saddened by her sudden passing. I pray her family knows what a treasure she was to us!
Leslie, you will be missed.

“ Thoughts and prayers to the family. Leslie was such a kindhearted and caring person. She was the one who trained me here at AmerisourceBergen when she moved on to another role and checked on me weekly. May the family find peace in knowing that you were her everything and she spoke of you often and took time out of her day to check on others.
