

Lewis A. Gray

April 13, 1956 - December 27, 2022

Lewis A. Gray,

Long-time proud Stokely - Van Vamp, Quaker, Pepsico Employee and Proud Steelworker Union Member and beloved Son, Husband, Father, and Grand-Father passed away the morning of Tuesday December 27, 2022. Lewis was a hard worker that put providing for his family as a top priority for his entire life. Lewis is survived by his loving wife, Sherry Gray, who he met 47 years ago playing Frisbee at Garfield Park. They have been inseparable since that day and a couple years after meeting that summer afternoon they welcomed their son Antonio Gray to the world. The three members of the Gray family navigated the waters of life together for the next 45 years. Through the ups and downs of life their love for each other never wavered despite the challenges that life can throw at a young family. During the time Lewis was not working (and he worked a lot) he enjoyed sports, music, and being with his family. In the later years of his life, you could always find him in his hot tub listening to music and letting time pass by. Also, later in Lewis's life he became a proud grandfather of Alyssa Gray, who he loved very much. There was nothing more Lewis loved than being at home with his family and always laughing with joy. The night before his passing the Gray Family had one last Christmas together and at the time of his passing he was surrounded by his son and wife as they wished him goodbye as they listened to his favorite music. Lewis will be missed but never forgotten and his spirit will live alongside all the members of the Gray Family.

“ Oh my gosh, I think this is the Lewis Gray I went to elementary school with at Henry Wadsworth Longfellow, school #28. Lewis and I were great friends, but I lost track of him and never knew where he ended up. I literally was just thinking of him over the last several weeks. I remember him even back then as a sweet, polite, great guy. I wish I'd have been able to catch up with him.

“ Lewis was a great guy! I worked with him for a few years and got to know him and Sherry both as Lewis transitioned into retirement. He was such a kindhearted soul! Fly High Lewis!

We will miss Lewis' steady hand, and the countless hours with us behind the wheel of a forklift. And more importantly, his gentle smile and good nature.

On behalf of the PepsiCo warehouse team, our deepest condolences to Sherry, Tony, and the entire Gray family.
