“ *My heart is broken. Lillie was like my 2nd Mom during high school. She always had good advice and treated me just like one of her girls. She was a lovely lady with a giving heart. I know she will be missed so much by Shelia, Sheena, Kay Kay and her whole family. I just wanted to say how much I admire her daughters and the care that they gave to her during her final years. She could not have asked for a better family.*
