“ I'm at a loss for words as to the pain of losing you has caused. We talked daily for eight years, some times several times a day and night. I will continue to talk to you and pray you can hear me. I know your well now and free of pain. I will remember all the good times we had when we were young and I came to spend the summers with you, the slumber parties, the talking all night (getting up tired) and the snipe hunting. Your mom laughing her rear off when I was in the small woods behind your house looking for snipes. I hope you can now rest in the peace you deserve, I will miss you dearly my cousin, my friend, and my confidante. God Bless, Love Betty Jean

“ *I remember when we were teenagers, Linda and David D. & I took her cousins car and went joy riding in Greenwood. We seen a beautiful Japanese Garden. We went every where and the but the car back where it was. The next day her cousin wondered where his gas went!!!!!! All Linda and I could do was laugh every time he said anything about his car. We did a lot of crazy stuff, but all in all me never got into trouble! Linda will be missed and loved forever...and never be forgotten. She could but a smile on your face no matter has sad or bad you felt. Even through we hadn't see each other for years....Linda was still my BBF.
Love & Miss you....Barbara Powell Limeberry*
