“ Regina and Susie,
As you know, there are more memories from years ago than I can share but one always stands out for me.
I was still in bed asleep (I was probably 10 years old) when all of the sudden I heard my Mother scream out she had cut her thumb off. I do not remember my feet hitting the floor but somehow I got across the street to your house and screamed for Linda. Linda ran over and grabbed my Mom up and immediately drove her to the hospital. She saved my Mom that day and I have never forgotten what that meant to me. From that day forward, I always felt so safe with Linda Duncan across the street.
I loved her smile, her heavy German accent and her strength. And then to top that off, she raised two beautiful and loving ladies.

Linda you will be greatly missed but I know how happy you were to see Cleon and your family that had passed before you. I am sure my Mother was in line to see You when the gates of Heaven opened.

“ The mischievous sparkle in Linda's eyes always made us smile. She was one of a kind and we will miss her. She was always impeccably groomed and still a beauty. Rest in peace, dear Linda, in our Lord's loving arms. Susie and family, our love and prayers.
