“ *Ms French was such a generous lady. She brought me paperback books that she had read by a christian author because she thought I would enjoy them. She always remembered the secretaries at the hospital at Christmas time. When I changed locations, she stopped in at the clinic I worked at because it was in the same buliding as her doctor. I will miss her smile.*

“ *At one time, Linda was a outstanding pianist who played with the touch of angel wings. She was a beautiful person who only thought of others and their well being. Sending my sympathy to all the family.*
