“ I was Linda's seatmate at Krieg DeVault for a year or so and she was so friendly and always had a smile on her face. I purchased a number of the beautiful block lights that she made and I think of her every time I display them at Christmas. She loved talking about her son's football team and was such a proud mother. My sympathies to your family. Barb Chelminiak

*Pat Combs Holbrook.... I always thought Linda Ann was beautiful and so much fun. I was 6 or 7 when she was 20, and I loved watching her get ready with her make-up. Wish we had all lived nearer each other.*

*“ So honored to be blessed with an amazing mother-in-law. My heart is hurting for the loss of this very special lady. Truly one of a kind. We've laughed and cried together through good times and bad. No matter the circumstance she could always make you smile. I will forever cherish so many memories and continue hearing her infectious laughter. Comforting to know she and Dean are together again. From one Princess to another... Gone but never forgotten. Love you XO Robin Hamil*

*Linda was a very special friend. She had the kind of faith that could move mountains, and the joy of the Lord that was obvious to all who knew her. My heart aches for her family. She will not be forgotten, but remembered as one of the most beautiful people I have ever known, both inside and out.*
