“ *Pam, Neil, and Valarie and Linda's family,*

I am so sorry to hear of Linda's passing. Growing up together across the street on Iowa Ave. in Offutt's Park, was a fun time. Going back and forth across the street to play. Our families socializing together and our Moms babysitter for each other. Now Pam, you and Sharon were the older "cool" ones but nice enough to drive Linda and me to school once you got your license. (I am sure you both were mortified that Linda and I were in the car with you high schoolers.). It was a lifestyle we were fortunate to have.

I'm sure you heard the story many times of Linda and me being given a bath together by my Mom. (Hope that doesn't embarrass Linda's family, especially her grandkids). Mom would re-tell that story many times.

Although I have not seen Linda in many years, I just wanted you all to know that I often think of those times when I was back in town and going by the old house.

Memories of the good old times.

Condolences to all of Linda's family,

Greg Lindsay

“ *My heart is broken. Though I hadn't seen Linda in many years, I always will remember her as one of my earliest childhood friends. We spent all 12 years of school together. Our two Sharon sisters were best friends and that put us together a lot. Please know that my thoughts and prayers are with you at this difficult time. May God's presence bring you peace and comfort in the days ahead.*
