“ I worked with Lindsey at the Shelbyville store for many years. She had a part in planning a baby shower for my daughter when we worked together. We were never super close, but I will fondly remember her smiling face and infectious laugh. I will keep her son, husband, friends, and family in my thoughts. I hope that you can find peace.

“ *I am so sorry to hear of Lindsey’s passing! It wasn’t long ago when I met Lindsey because our kid’s were in the same class and became best of friends. I was excited to have a new friend! Lindsey and I became fast friends. Lindsey was so kind and invited us over for cookouts and holidays. It was just last December when we all loaded up in the mini-van in our pjs and headed out to look at Christmas lights.*

*I am in shock and miss her deeply. She will be in my heart and never forgotten!*

“ *Lindsey, you will be greatly missed by all. It is absolutely tragic to think that you are no longer with us, and I know that it doesn't make sense. Everyone knows God has his own plan, and I know we don't always have to understand it, and I can't tell you enough how much we truly don't understand this. We know you are looking down over your son and over your family. There will not be a day that goes by that you are not thought of or talked about. We love you and your family so much, The Vespos.* ”
