“ I remember meeting Lorretta first time around 30 years ago at Running T, we always enjoyed having fun and going on vacations to Gatlinburg, Branson. Trips to Nashville in with a group of girls. Loved visiting during our winters in Fl too. Lorretta knew how to whip up some good foods, shopping and just sitting talking. She loved watching her humming birds too. She will be dearly missed by many. RIP my friend and watch your humming birds from above 🙏❤️
