“ Lou was the second person I met in the Falls. It was yard sale weekend and. She came over to say hi. We had no customers only the workers because the back 40 was just beginning. We laughed and had a great time. She will always hold a special place in my heart.

“ Lou was our nanny for many years when the girls were little. We all loved her. I trusted her completely. She was so kind and loving to my daughters. She was truly a blessing from God for us and so many other people. Such a sweet soul. I know she is in the arms of Jesus now.
