“ I met Red at Blocks In 1958. He was assistant to Bob McClain manager of the Dispatch Dept.. He was always dressed very well and neatly. People thought him to be a model, Witch embraced him. Red was two years older than me and I was impressed by his humor and demeanor. I have wanted to find him recently to just talk and remember those things and people we knew back then. My condolences to Reds family. So sorry to hear about his passing.—
