“ To Myra, Noel, Dale and Tim,

I was so sorry to hear of the passing of your mother. Mabel was not only a nice lady, but a very special one. I was so blessed to have grown up next door to all of you and to have this wonderful lady make us grilled pimento cheese sandwiches. What a treat that was for me. While grocery shopping Tuesday by the case with the different packages of sliced cheese, I got to looking for sliced pimento cheese, thinking back to that day your mom fixed us grilled pimento cheese. I was remembering that on the day she died. Mabel is home now with Leo, just like my parents are together, resting with the Lord.

“ As a child she was my favorite Aunt and as I grew older I didn't get to see or talk as I would have liked, I will miss her very much but now she's with Leo!
