“ *Dear Steve and Mike:  
We are saddened to learn of your mother's passing. We became acquainted with your dad and mom at Castleton Church and visited them when they lived at Westminster. We have fond memories of our times together. Linda and I will not be able to attend Marcella's memorial service but will pray for your family during this time.*

“ I worked for Marcella’s husband Ken from 1972 until 1978. Became well acquainted with Marcella via Christmas Parties for American United Life. She was an easy person to get acquainted with, very positive personality, a take charge type person. She and Ken made a great couple. She was jovial, kind, sweet, and lovable, and in charge too.

When my husband and I moved to Indianapolis 40 years ago and started attending Castleton UMC, Marcella was just so kind and caring to both of us. Like a second Mom. She would buy red geraniums from our annual flower sale and every time I see a red geranium, I have warm wonderful memories of her.
