“ My favorite memory of grandma is probably vacationing in New Smyrna Beach with her my senior year of high school...she was the coolest grandma ever 😎 (so we know where my mom got it). Anyway, she always had a better tan than me, so I laid out all day my first day there to try and catch up with her, and burnt to a crisp! The best part about it was she ended up spending the whole evening laying with me watching movies and rubbing aloe on my fiery skin (with a few repeated "I told you so's ").
