“ Thank you for sharing this information about Margaret. i had an aunt who was an Army nurse during World War II, and did not know that Margaret had also serviced our country in that manner. I have been very happy to welcome her grandson, Jacob, (and now their 3 children) into our family. My thoughts and prayers are with you and your family now. MaryAnn McDevitt

Prayers that her wonderful Lord will comfort you at this time. Soon and very soon there will be a great reunion. I recognize the three last songs and I love those, they must've been Some of your mom's favorites.

Oscar and I are praying for you, believing for God's peace and comfort in this difficult time. What a blessing this woman of God was, we know she will be missed by many. We are reminded of the hymns lyrics.... when we all get to heaven, what a day of rejoicing that will be! And rejoicing she is, with her wonderful Savior.

My heart is truly broken. This precious lady had become like a second mother since I was privileged to become part of her several years back. She was one the sweetest and most warm hearted women that God has placed in my life. I will miss her greatly but I know I will see her again and meet the love of her life John, that she so missed and always talked about! I pray for all.of her family to have God's peace during this time of loss. 🙏 Frances and John

Wow! What a beautiful tribute!!! I choked up at the rendition of, "Beulah Land" and so moved at the last one of her on that 90th birthday. It is evident throughout, how you three honored your mother over the course of her life... 🌹 . Thank you for sharing. xo
