“ *My children and I loved her like our own. She was one-of-a-kind, and the best kind! She will be missed, indeed. Sending love and condolences to all of the family.*

“ *I remember her wit and sense of humor the most. I didn't get to see her much, but wish I could have. I remember that she made a Ragged Ann doll for me and it was so cool. I admired that this part of my family embraced their Catholic faith. Unfortunately, I did not think the funeral would take place so quickly and would not have an opportunity to attend. I had told Luke we would be going as we missed Larry's, which was on Luke's birthday party. Our thoughts and prayers are with the family in this difficult month of November in losing both parents, but to whom both were given eternal life.*
