“ *During the most painful time in my life, I had asked the LORD to help me, then sister Martin called. We were on the phone close to an hour. She spoke to me about the loss of my child and shared with me the loss of hers. She knew what I was going through. She prayed for me, she sang to me. She showed her love for me on that phone call. I didn't even know she knew who I was. I'll never forget her. I loved her too.*
