“ *Louis we have been friends for over 30 yrs we may not always talk but we know we will always have our shared memories and when we do talk we pick up from when we last talked and catch up and will forever be friends. I remember seeing your mom at the dry cleaners and she always was nice to me and I could always see the love she had for you and your family. I also remember her catching us sneaking out or sneaking in at night and laughing about it. Good memories. My thoughts and prayers are with you and your family today as you remember how beautiful your mom is and forever will be.*
