Marilyn Fredrick Buckhorn,

85, of Carmel, passed away March 12, 2020. She was born in Indianapolis to the late William A., Sr. and Irene G. Fredrick. Marilyn was a 1953 graduate of Warren Central High School. Marilyn truly enjoyed preparing holiday dinners for her family and her siblings for 50+ years, taking great care in preparing the home and food. One of the things she would always do was to make over 70 dozen cookies, of different kinds such as buckeyes, candy canes, thumbprints, iced cut outs, pressed cookies, peanut butter kisses, along with fudge, and a beautiful wreath-shaped coffee cake, making sure that everyone got enough of their favorites.

Marilyn is survived by her loving husband of 64 years, James E. Buckhorn; son, Brad Buckhorn (Nanette); daughter, Lorrie Clevenger (Mark); grandsons, Ken Clevenger (Sarah), Timothy Buckhorn, Daniel Clevenger (Hannah) and

James A. Buckhorn. She was preceded in death by three brothers; and two sisters.

Due to the events going on in the world today, Marilyn was laid to rest during a private burial at Washington Park East. Memorial contributions may be made to the Cornerstone Lutheran Church Altar Guild, 4850 E. Main Street, Carmel, IN 46033.

“ I just leaned of Marilyn’s passing, to I have no doubt, a far more perfect place than this world. However, I know my old friend, colleague and mentor, her husband Jim, grieves for the love of his life. I only met Marilyn once, but Jim always spoke of her with such respect, love and admiration. To inspire that kind of love, I know Marilyn must have truly been a beautiful person in the eyes of God, in addition to those of us on earth. I pray that my friend has found peace in the knowledge of her eternal resting place. Melissa Stein

“ I had the privilege of spending quality time, almost every week with Marilyn. I did her hair for more than fifty years. We shared a lot of life with each other through those years. I can tell you that she was a woman that dearly loved her husband, children, and grandchildren. She spoke about all of you, so often, I know all of your names.

She cared so much about others and what they were dealing with in there lives. We laughed a lot, and sometimes cried. We prayed for each other regularly. Marilyn was such a comfort and support to me when my husband got Parkinson's. I appreciated her so much. Marilyn was a beautiful soul inside and out. I will miss you my dear friend.

Until then,
