“ Dear Scott and Michelle.....

I just learned about your mother's death today and I am so sorry. Your mother and I worked together at the Mental Health Association of Indiana and we became good friends over the years. Please let me know if you need anything. My thoughts and prayers are with both of you.

“ *Dear Scott and Michelle,
Your Mother and I were Executive Directors of United Way agencies in Howard County some time ago. We often went to lunch to discuss common issues related to our jobs. I haven't seen her in quite awhile but think of her. Please accept my sincere condolences on her passing.*

“ *Scott and Michelle,
Your mom was a very special lady. I remember traveling to
Nashville, Tenn several years ago with the Handbell choir group
thay you and our Amy were members from Grace Methodist. Also,
when Amy was born, your mom gave us your baby bed, we used to
socialize with your parents when you kids were little.
Sending our best to you.
