“ My deepest sympathy on the passing of Marilyn. She was a lovely lady, a great neighbor and a true friend over the years. I was looking forward to having dinner again this year in Naples after our lovely evening last year. I am sorry I will be unable to attend the service on Sunday, but please know she will be in my thoughts and prayers at my Sunday service.
My best to all.

“ I have been so very blessed to know this amazingly strong woman and family for the past 43 years. Thank you for teaching those who knew you the importance of loving and believing in God and loving your family with all of your heart. I will always remember your little winks and smiles at me when I was much younger spending so much time at your house. I will also remember while laughing and joking watching tv with you how it could change instantly and you would be crying at a commercial...any type of commercial...lol. Of course can't forget the yelling of "ARTHUR"!!...when trying to make a point or get Art's attention. I think it shook your house and possibly ours next door. 😂

Thank you for letting me be a part of your family. Thank you for loving my twin "babies" as you called them! You will be missed so very much, but you taught us up to the very end just how much faith you had in God. You said you would find Art and my mom when you got to heaven and give them hugs. Praying they welcomed you with open arms.

And I just want to say from this IU HOOSIER to you...BOILER UP DEAR ONE... BOILER UP!!!

Love

Carol, Dave, Ryan & Ellie ❤️❤️❤️

Such a gracious and generous lady! Those are two things I remember most about Marilyn. Another is that she and Art raised three amazing daughters who continue to follow their parents lead in making the world a kinder and loving place to live. What a Legacy!

Condolences to the extended family.
