“ Gary and Family I was sad to hear that your mother had passed recently. As Gary knows, I just lost my mother in September of 2013. Gary: It was very touching that I was able to spend a few moments with you your mother and Brother in law. Hold on to the special memories, and may Good give you strength to move forward.

“ Ann Marie, I saw your mother's picture in the paper. She was such a lovely lady and so talented. I still have two of her beautiful bird pictures. I see that you are married with children, but I remember the pretty little ten year old in my 5th grade. Love and prayers for you and your family.

“ Aunt Marisa was the center of the good times that her family had together. There were many times when she was the haven of love, comfort, hope and joy to many of us. She was a second mother to many when there was no place else to go. Not only was she an accomplished artist, she was a powerful influence to family members and will be for a long time to come. She suffered much with illness later in life, but she laughed with happiness too. She was enormously proud of her beloved children and beautiful grandchildren. May we look to the bright clear night sky to imagine her dancing among them, restored and reunited in celebration with family that has gone before her and with Jesus. God Bless her family with healing for her loss and help them overcome grief. All my love,
Niece Kathleen Clark Sweeney
