“ I worked with Marge for many years at Community. As a younger nurse, she took me under her wings & became a wonderful role model & friend. As a retiree, I so enjoyed our chats via the phone committee I'm on. Always lots of laughs & reminiscing .RIP & condolences to her family.

“ Marge and I have known each other for many years, going back to helping her carry first aid supplies to band contests. We both started attending Old Bethel around the same time. She helped me get my first family doctor. She was a dedicated nurse and Christian Our children knew each other. I moved about 5 yrs ago and have not seen her much after that but I will not forget her. My mobility is such that I cannot attend her going home celebration but I know where she is. Blessings to her family.
