

## Mark G. Baumeister

April 29, 1965 - April 6, 2008

Mark G. Baumeister, 42, of Indianapolis, passed away April 6, 2008. He was born April 29, 1965. Mark worked at Schaefer Technology as a pharmaceutical supply welder for more than 10 years. Many people knew Mark as the guy that was always walking his dog, a Doberman Pincher named Lutz. Throughout his life, he walked 10 miles a day, each day, no matter what the weather. Something that many people didn't know was that he has been an avid supporter of the charities in our area by joining them in their yearly walks. One of his many hobbies was karate in which he earned a black belt, along with many trophies through competitions. His favorite hobby was restoring old muscle cars and attending every available car show. Throughout the last eight months, Mark had been fighting cancer and though he had much support, he lost his fight. Visitation will be held, Tuesday, April 8 from 4:00 p.m. until 8:00 p.m. at Shirley Brothers Irving Hill Chapel, 5377 E. Washington St. with funeral services Wednesday at 10:00 a.m. Donations can be made in memory of Mark Baumeister to the Central Indiana Cancer Center, 6845 Rama Dr., Indianapolis, IN 46219, in care of Debbie to raise money for a much needed blanket warmer.
