Tribute Wall

“ *It's hard to believe that nearly a year has passed. We miss you deeply and often wish things could have turned out differently. I know you're watching over us and seeing the incredible man G has become. No matter what happened, I'm certain you're proud of him.*

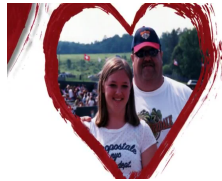

We may have had our differences, but I want you to know, from the bottom of my heart, that I loved you then, and I still do. I am truly grateful for the bond we once shared and for the gift of G in my life. He is, and always will be, a blessing so thank you.
