“ My sincere condolences to Marlo's family and loved ones! Marlo was beyond a good friend from our days working at Celadon, and even in the years afterwards. My fondest memories were our lunches at Mi Amigos on Washington Street where she introduced me to their awesome cauliflower soup! When they closed, she found another Mexican restaurant and we continued our lunch tradition (minus the soup!). I haven't been in contact with her much in the past couple of years, but I have thought of her often and I will truly miss her! Rest in Peace, Marlo!

I recently heard of Marlo's passing as I live in Florida. She worked for me at Celadon Logistics Transportation Services for many years. She was a great employee and a wonderful person. I am sure she will be missed by many.
