“ We went and visited with her the other day and she was so delighted to see her lil ladies!!! While we were sitting there she couldn't hardly get a word out....when all of a sudden she blurted out, "WILL YOU GET OFF MY FOOT". Needless to say nobody was on her foot 😂 We all had a good laugh about it including her. Love you mamma ☐❤️😊

“ Marsha was my first real live baby doll to play with , I'm guessing since I don't remember. We were only 16 months apart. She was my first best friend, my first playmate, my first sibling. 13 months later after Marsha we were joined by our sister Pam. We would spend hours playing with our dolls, having tea parties, and ring around the Rosie.
Marsha was gifted with the voice of an angel.
Our circle is now broken . I know I can speak for Pam when I say we are glad she is no longer in pain. She has joined God's heavenly chorus. Love Marenda
