“ Lee and Lisa,

We are incredibly saddened to hear of Martha's passing.

Martha was such a wonderful friend to my grandmother and I always enjoyed outings with them as a young girl. Just remembering how they would get so tickled at something(which I did not understand at the time) and now how it puts a smile on my face at the thought of it.

Martha always opened her home to my son and I when we came to town and we would have such a wonderful time joking, laughing, meals and sometimes games.

All those conversations and fun times will be sorely missed but not forgotten!

Sending love and strength at this difficult time --- Kevin, Susan and Cody Wallis
