“ *Aunt Mart.....I have no words to describe the pain that I feel knowing you are gone. No biologically you are not my Aunt but YES you are my Aunt Mart always & forever. There isn't a story mom relives about you & her & my heart is smiling & I am laughing so much. Tacos at your house is one of my all time favorites. Dropping mom off at your house & telling you gals No boy & No alcohol like I am the parent. I promise to grow the biggest zucchinis' for you & hopefully one day I can make your amazing lemon bars. Rest now & hug my dad for me.....Love Always your Heidi Girl*

“ *Oh my heart hurts for you all. I will keep in my mind the many many times she sent Kelly to work with me leftovers to eat, she was a great cook. She loved loved her crafts as well and she was great at them. I have homemade cards from her and she even drew me some roosters, freehand and they were beautiful. I pray for you to have the strength that it takes in this time of loss. I love you Marty. I am so sorry my KellBell*
