“ Michael was my absolute Best Friend for 17 straight years.. He was more than a best friend to me, he was a brother to me, my protector, my confidant. He was the person who could always make me smile on a bad day. Michael was soooo much more than just a friend to me. He had the biggest heart and the kindest soul of anyone I've ever met. They really don't make em like Mike anymore. Anyone who was lucky enough to know him, was extremely blessed in my opinion. He was so filled with love for his children, his family, and his friends. The love and friendship Michael offered was absolutely unreal in its entirety. There are just no words to describe what an incredible, great man he was. No matter what mistakes Michael may have made in his life, it never compromised his character, his heart, or his soul. He will be deeply missed and ALWAYS loved! Michael will always hold a very special place in my heart and I will miss him every second of every day. God has a very special angel by his side now. I love you Michael Lee Fidler.. Hold down the fort up there till we meet again!!

“ I did not know Michael Fidler as his family and friends did, he was my daughters brother-in-law, so we crossed paths from time to time. Michael was always very nice to me. Michael loved Michelle he had told me, she was his one and only true love, and he was sorry for everything he had done to her, and if you know any man in the Fidler Family they are all about their kids, Michael was very proud of the children, and how they have grown, he asked me how do I make up for the times I have messed up with them? Michael will be missed here in this world but will forever live in all our hearts and minds. Everyone Please this is a time for everyone to pull together and cherish the time we do have with one another. RIP MICHAEL FIDLER MICHELLE, MIKAYLA, MICHAEL, MITCHEL MY THOUGHTS AND PRAYERS GO OUT TO YOU. LESLIE AND BONITA SO SORRY YOU HAVE RETURN ONE OF YOUR ANGELS BACK TO GOD, HE NEEDS MICHAEL RIGHT NOW.

“ We will miss you so much! Michael you did things your way. That is what made you you. I will miss that look you would give me and the smile you would flash and say I love you Angel when I would be getting on you for whatever you did. I would just stop and smile and say I know I love you too but you are such a punk. You way of getting me to shut up I guess! I love you Michael.
