“ My Father gave me the greatest gift anyone could give another person, he believed in me. No matter what, the highs, the lows. When I didnt believe in me, he did. Losing you is devastating, but I promise to always try and make you proud. Thank you for being the best Dad EVER and always making every single one of us feel like we were your favorite child! I love you Daddy! Always and forever!

I did not know him but he has the same last name as mine and was interested in lineage of relation. Facebook me and we can cross reference if you would like. Jerry

“ Many loved him as family because of the way he welcomed them and treated them. However, I had the true honor of calling him Daddy. I could never begin to type words or express what all that encompasses but those who knew him will understand completely. I am forever grateful for it and blessed beyond measure that God chose me to be his baby girl. I will miss you, Daddy. Love Always, Your Peanut!
