“ I was his church secretary for a few years at Bethel UMC until he was assigned to a different church. He came in eating a banana every morning. We spent a lot of time laughing. He had this little laugh where his voiced raised slightly in kind of a giggle. Such a charming man. Everyone seemed to like him. I met my current husband there and he counseled me many times. He also married us. Great memories. Nancy was fun too and always seemed positive.

“ Marvin was more than a pastor, he was a friend, spent several trips with him going to IU football games and New Albany High School basket ball games sitting with him in that high booth over the court. He knew a lot of sports figures, talents, coaches and players and they all went out of their way to give him some of their time. You all were great neighbors, he will be greatly missed.

“ Dear Nancy ... my mother, Gladys McIntyre, was so very fond of Marvin and you. She was, I am sure, happy to welcome him to his eternal home on Thursday 10/15. Patty and I are sad for his passing and for your and Samuel. Our thoughts and prayers are with you.  
Sincerely, Rev. David McIntyre

Thank you both for fond memories with your mother. We loved her from the first time we met her. She offered to babysit Stephen whenever we needed her. We spend many good times with her.
