“ I work with Marvin's son, Mark, at Witham Health Services. While I never had the pleasure of meeting Marvin, if he is anything like Mark, he is caring, compassionate, and hard-working. My thoughts and prayers are with Mark and the whole St. Martin family, including Christen and Katelyn, who I also work with at Witham, during this time of need.

“ A blessed man I am to have crossed path and forged a friendship with John over 15 years ago through Little League. John represented great qualities in life. He naturally made people smile and feel good about themselves. He was unequalled in making a negative positive. Most importantly, he was true, genuine and loving. RIP my friend.

“ John was well known for his smile and helping hands. Anything we ever needed, John jumped right in to assist. Our little ones got to spend time with John and grew to love him. We are ever so grateful to live next door to such a loving and wonderful family. Dorothy, you are an amazing woman and I know your love and dedication to John spoke volumes. Hang in there! We all love and miss him very much!

“ John was an amazing man. He umpired many of my games as a kid at community little league. I'm really glad I got to reconnect with him a couple of years ago. He remembered me and my Grandpa like it was yesterday. I'm sure he's hugging my Grandpa and reminiscing. The world has really lost a good one.

“ John's picture here is truly him! He was always smiling and joking with everyone. His smile, his infectious laugh and all his joking around will truly be missed. Especially at Mayfest. After John arrived....Heaven just won't be the same! Rest in peace my friend! To Dorothy and all of his family, my deepest sympathies and prayers. If you need anything please call me!

“ John you were truly a good friend and neighbor. Our whole family will miss you. You kept us supplied with tomatoes from your garden. We appreciated that. We know you are rejoicing in heaven and having a big reunion with family and friends. Just know we will look over Dorothy and help her however we can. RIP our dear friend.
