“ *Thank you for some quite amusing conversations Mr. Dudempuddy. It's not very often someone could slip one over on me but Marvin was pretty damn witty. He nicknamed me Carol and Carol I remain.*

“ From locking me in the trunk of my own car to fighting over women to trippin' down to Texas you've always been my bro. You were a know-it-all and usually right and things will never be the same without you. The card parties, the good eats and the "luder hooters". I'll miss you man, but I'm still going to be rooting for the Colts.
