“ From **ROBIN DAWES**,
Robin couldn't make it to the funeral today, as much as she wanted to be there. Mary and Robin worked together at Metro. And Robin remembers parties, dinners, and other fun times. Condolences to the family and snow that Mary's fun, joy, and friendship will be missed. Robin Dawes

Mary and I walked (literally and figuratively!) many miles together during our years of being neighbors on 80th St in Indianapolis. We shared the many things that gave us joy and shared the problems that life brought with raising our children and caring for our spouses. Our friendship and confidence in each other was secure and enduring! I will always be grateful for your friendship. I know you are at Peace. Diane Roberts

“ 45 years ago on the shores of a Northern Minnesota lake we met the Seifert family.

This turned into an annual event that was cherished by the Engler's, the Eglington's, the Smirkofski's, the Tillman's and Ellis's.

What a stroke of luck to run smack in to Mary, Dick, Christy, Cindy and Tom on that Minnesota lake. Thanks for all the wonderful friendships.

“ Tom, Christie and Cindy, your mom was a beautiful, classy, giving lady who will be deeply missed by all who considered her a friend. Kathy and I will never forget our visit with her out in Arizona in 2020, our lunches with her at Ford's Garage, her being my plus 1 at the Anderson Symphony, or any of the myriad other events we shared with her. Our hearts are broken but we are better people for having known her and your dad. Prayers for her and the extended family.

Dear family,
I have called Mary a friend for over 75 years, since we first met at the Fisher School. In all those years there has never been a time that I didn't enjoy her company, whether in person, a letter, or a phone call. She was always kind and caring. Her loyalty to friends was evidenced by the fact that she maintained friendships with many of her school friends over the years. In our conversations her family was always front and center and she loved you all so very much. Sending you my love and sympathy.

*I posted a message, but unfortunately it does appear!
I also known Mary for 75 years, graduated from Fisher High School.
Our family farms were only a few miles apart. We rode the school bus
every day and had wonderful conversations about out school events.
We have kept in contact over all the years by internet, phone and
meeting in Minnesota for class reunions! I'm thankful for the special
memories we shared and she always kept us updated on her family
who she loved and very proud of. GOD BLESS YOU ALL!!*
