“ *Becky and I are sad to hear that Lea is gone. She was the resident manager of Madison Village Apartments for many years and always did a terrific job for us. It was always a pleasure to see her and we are so grateful for the hard work she did on our behalf. She was such a nice lady and we will miss her.*

“ Condolences to the Bailey family (Paul) Gene Rentz here (retired
Indianapolis Fire Dept). If it was not for Paul and his dedication and
training I would not have had a career in the fire service. Thank you
Sir! May you and the family find peace at this time.

I Love you Mom! I'm going to miss you so much. I'm not sure how to do this. I hear your voice telling me how to do things and telling me to pick myself up and go on. You were a part of everything in my life and I'm going to have to learn to live without you. Mom, I promise I will try my hardest to live my life the way you would want and in a way that will make you proud. I'm so thankful you were able to come home with me those last 9 days and that we were together until the end. Thank you for being the best Mom anyone could ask for and thank you for showing me how to love, how to be kind and compassionate and how to love Christ. Thank you for the examples you set for me and for always loving me. Knowing you are healthy again and happy in Heaven with Jesus and the rest of the family, is the only thing that matters..I Love you Mama, I am so happy for you and I'll see you again one day!
