

Mary Lou Budd

April 18, 1922 - October 26, 2015

Mrs. Mary Lou Budd was born in Pittsburgh, Pennsylvania on April 18, 1922 and died on October 26, 2015 at the ripe young age of 93. She was the daughter of Gilliot and Henrietta Hows. Mary and her sister, Betty, would have a childhood filled with ups and downs, having to endure the depression, and the early death of their father. Their mom would work to support their small family and, at times, would have to rely on the generosity of family and friends just to make ends meet. Mary grew up, finished school, entered the work force and then endured WWII for the next 3years. Met and married her first husband; Ned, or whatever his name was but soon came to her senses. While living in California, she had some publicity pictures taken with the comedy team of Abbott and Costello, while working as a soda jerk. She was quite a looker. Eventually moving to Indiananapolis, Indiana where she met the love of her life, Mike, married and inherited her two stepsons Mike and Tom. She spent her time working in the banking industry, raising their son, Jeff, and living happily ever after until Mikes death in 1989. She didn't slow down or miss a beat, since by that time Jeff was grown with kids of his own, that she loved with her whole heart. Mary had lots of family and friends, some gone, some still here who she loved too. One of those being her sister. They had lots of adventures together and she loved her sisters' children like her own. Mary is survived by her son,Jeff and his wife Donna; stepsons, Mike Budd, Tom Budd and his wife Sharon; grandchildren,Jarrodd Budd, Ashley Budd, Steven Budd, Michelle Budd, Stacie Murrell and husband Matt and children;

neces, Patty Giddens and husband Rocky and son, and Beth MacManus and daughters; and nephew, Mike Scheuch.

“ *My grandma Lulu. There aren't words to describe a woman like her. There just aren't human beings on this planet who live with such outstanding sunshine in her very soul. I love her and miss her greatly. Thank you Gma Lulu for so many of my favorite memories, the cookies, the head rubs, the grapefruit + cheerios. I love you.*

*Love,
Ash*

“ Dear Jeff,

Jack and I were so sorry to learn from Jan of your mother's recent passing.

We first met your mom and dad in the hallway at Knob in the Woods. We liked them immediately, and some of our fondest memories of Indy were hanging out with your folks in the hallway after dinner. We also have some great memories of holiday celebrations, our trip to Montana, and their visit to us after we moved to Seattle. Your parents were simply some of the nicest people we've ever known. And so much fun - we certainly had a lot of laughs together!

They were so proud of you. It's wonderful to know that you've done so well in Texas and that you have a beautiful family.

Our very best to you and your family as you mourn the loss of your mom.

*Warm regards,
Jill*

“ *My Dearest Mary Lou, I have missed you so much since you moved to Texas but I am so happy for you that you are now in Heaven, laughing with your husband, dancing like you use to. I loved the year we spent together. You were a joy to be around and I loved how you smiled every time I came in.*

Jeff and Tom, I am so very sorry for your lost but I know you are glad she has moved onto her heavenly home and become whole again. She was a wonderful lady and I'm sure you have great memories to carry you through.

*Peace and Love to all,
Linda and Larry Kline*
