

Mary Lou Imes

June 20, 1940 - January 4, 2021

Mary Louise (Dean) Imes took her journey home to be with the Lord January 4, 2021. Born June 20, 1940 in Indianapolis, Mary Lou was the only daughter of the late John L. and Luella (Rogers) Dean. She grew up and spent her entire childhood in their Carmel, Indiana home with her older brother Jack and younger brother Jim. By age 12, Mary Lou took on many of the household responsibilities when her mother returned to school to finish her high school education. Carmel's School was a single building at the time and contained grades K-12. Mary Lou often expressed how embarrassing it was to pass her grown mother in the hallways at school. However, a few years later, she honored her mother's accomplishment of earning a master's degree by sewing a custom dress for her graduation ceremony. Mary Lou used the remaining fabric from creating her own wedding gown.

Mary Lou grew up in a very musical family and for her part she played the drums. Her complete drum set dominated the floor space of their small living room during high school. As a junior, she proudly marched with her snare drum with the band in the 1957 inaugural Indianapolis 500 Festival Parade. She graduated from Carmel High School in 1958 and was immediately off to southern California for reservationist training. She joked that she and her roommate were so broke that they exclusively ate oranges purchased for a penny a piece at the local fruit stand. Once her training was complete, she returned to Indianapolis to begin her career for Delta Airlines. Mary Lou loved to travel and her job with Delta allowed many impromptu trips. One of her

favorites was to fly with her dad to Vegas.

After a chance meeting and courtship, Mary Lou married Phil Imes in July 1962. She was soon blessed with her daughter Shelly. Five years later, her son Andy completed the family. Her dedication to her children was constant throughout their entire lives. She faithfully attended every activity to support them both - many times juggling multiple events in a day. Her continued love, encouragement and support for them grew even deeper into adulthood and then spread as they had children of their own.

She began her second career once her children were in school. Beginning at Grain Dealers Insurance, then to State Mutual Insurance and finishing her career at New England Life as the Operational Manager. Upon retiring, Mary Lou continued her dedication to her family by caring for her mother.

Mary Lou's commitment and devotion to her family was even more apparent with the arrival of her grandchildren. The addition of Mark into Shelly's life first brought Tori and Colson. A short time later, Andy and Tracy added three more in succession; Jordan, Carter and Graham. She also shared a very special bond with Phil's daughter Jessica who entered her life at age 3.

She dealt with the adversity of her dementia with dignity and grace just as she had done with all of the life challenges she had faced. Mary Lou also watched her brothers Jack and Jim as they fought the same fates.

Mary Lou will be dearly missed by her entire family including:

Daughter, Shelly (Mark) Rice and son, Andy (Tracy) Imes;
grandchildren, Tori Rice, Colson (Kelsey) Rice, Jordan Imes, Carter Imes and Graham Imes; Jessica Imes.

“ Mrs. Imes

So many fond memories! Rides to games, spring break trips, the highs and lows of life. Always someone who could be counted on in the good times and the tough times. So dedicated to your children and their successes.

Two fantastic kids who I know you were so Proud of and they were so proud of you!

You will be missed now that god has called you home. We wish you peace. Like I told Andy there are a couple referees in heaven that better be on their game!

*All our love.

“ Mary Lou and I shared 40 years of treasured friendship. We spent yearly spring breaks with our kids in Florida and attended each of our children’s events. Band concerts, football and basketball games, track meets and baseball games. All very special times. She is missed.
