“ So sorry that I learned of this too late to attend the service...
Would like to have personally shared my deepest sympathy for you
loss.

*I'm distant family but Suzi and I had a great connection...we both
had a passion for genealogy so we emailed, called and shared a lot
of family history. We even met once about 10-12 years ago in Cinci.*

*Wanted to let you know what a joy it was to connect with her and let
you know how very clear it was that she was exceedingly proud of
her wonderful children and grandchildren...*

Clearly there was much love.

*Again, my condolences,
Stephen James Edgar...newly of Fishers, IN myself!*

*Note: Suzi and I are first-cousins, once removed...i.e., her father
George is the brother of my Grandfather, James E. Edgar Sr*
