“ it was great growing up as next door neighbors. I can't remember a harsh word for me, maybe for Tony and Brian but not for me. they probably deserved it. she was always so, so nice to me. You've been so lucky to have her as wife, mother ,and grandmother. we just lost our mom this past July so I know that it is so hard to lose them. like with mom just try to remember how blessed you've been to have her. you are in our thoughts and prayers. Tess had her retirement party last night or we would have been there to see you. Willie and Tess send their condolences along with mine. sincerely,

“ Terry, I remember when Mary Ann came into your life and my Mom, Ethel Chandler, lost her babysitting job for your Dad! She was a kind and loving lady and loved you as her very own. I'm so glad you had her as a Mom for so many years. I'm sure the memories you have will keep her spirit alive in your heart forever.

Love and blessings,

“ On behalf of the Société de Police - IPD Adam & Edward, our condolences to the family and friends of Mary Ann Miles on learning of her departure from this life.

To the family, we offer the following thought: It was written - When you speak of her, speak not with tears, for thoughts of her should not be sad. Let memories of the times you shared give you comfort, for her life was rich because of you.

“ To my life long friend Annette, and her girls, Hannah, Erin and Miles. I am so sorry for your loss. There are not words that seem "appropriate" at times like this. Mary Ann was so graceful and kind. She lives on through you, your spirit, and the accomplishments you all make. She is very proud of you! Love you - Doodles
