“ *Art and Sharon, Sue and I were saddened about the passing of your Mother. We think back to when we spent so many years as neighbors on Astro Ct. She did a great job as a Mother and kept up with your activities. We remember her fondly.*

My condolences to The Stockburger Family. I will miss Mary very much. She was a strong woman with determination. She very rarely asked for help. I admired her independence. I treasured her friendship. She gifted my husband, William with a Vietnam Memorial Coin once. We shared being wives of Vietnam Vets. My love to all of you. Debra Carey

“ *Sharon and Art,
Your mother was an inspiration! She raised two amazing human beings and managed to run so many organizations so smoothly... I particularly remember Warren Little League's concession stand where I had my first delicious chicken sandwich back in the late 70's. You mother also introduced me to the best sweet and sour pork! She was all around just a wonderful person to know.*

My sympathy and prayers to you both and to your families.

Sincerely,

Janie Herrick Justus

Thank You for the great memories Janie! She still remembered how much you loved that Sweet and Sour sauce. And the Little League days were something else. Those summers seemed endless.
