“ Mary Lou was a delight to know and a wonderful, kind, and giving Lady. I had the privilege to know her when she worked at St. Francis Diabetes Clinic. I was the young, new Practice Manager and she was like a second Mom to me. I learned a lot from her and after she retired we stayed in touch. It saddens my heart to learn she passed away. May her soul rest in peace and be blessed. I know she is in a better place where her pain and suffering have been brushed aside by the hand of God. I will miss her dearly.
