“ We had great times with Marylou, Joe, and their five children. Mark was a close friend and neighbor of my husband, Bill. Tucker. This was back in the 70's and 80's. I still vividly remember Marylou, her laugh, her kind words, her smiling face, and just her overall congeniality. She always made me feel welcome and even special!! It feels like yesterday, when she yelled out, "Debbie, you have a cute butt." This was at the end of the evening, as we were walking back to the Tucker house. I was slightly embarrassed, but then again, I wasn't, because it came from Marylou, and I loved everything about her. She had an evolved soul, that was always what I would call Christian-like. She's got her wings, as she is an angel, just like she was here on earth. She's one soul that I will always look forward to seeing again!!
