“ We Florida Wilson kids always thought Uncle Max was so cool, and were excited to see him when he'd visit. Plus he looked so much like our Dad, we couldn't help but love him. Our Mom said that Max became her buddy when our Dad was stationed in Africa, and they had a lot of fun together. He will be greatly missed. Sending love & hugs to you all! Aunt Jody & Uncle Danny's kids, Sharon, Sandy, Dan, Ted, Margaret, and Steven

“ *We definitely had a great childhood growing up with the Wilson's. Way too many great memories to mention. Max was the coolest dad in the neighborhood and would give rides on his three wheeler motorcycle. He will be sadly missed by all. Please accept my deepest condolences for your family's loss. “Where to start? I have so many great memories with my papaw. As a kid he would always call me on my birthday and sing me happy birthday in the silliest way, we would have long talks at the pool and at his back porch. When I would go get the mail he would always be sitting on his porch and we would wave and yell "Love you". Not to many people get to grow up one house down from their grandparent. I have enjoyed watching him play and love on my kids (his great grandkids). I will truly miss giving this man big bear hugs and kisses. He would always say "Poppy loves you" (in his unforgettable voice). I love you too papaw, always will. Till I see your face again in heaven 🥰🥰

“I grew up with Max as our neighbor. I remember him always calling the girls boys and the boys girls. He had a great sense of humor and you could always count on him for a laugh. I remember watching him ride around on his lawnmower. He was a great man. Sending lots of love and prayers to your family from the Castner's.
