“ *We have known Mike and Shannon for almost 20 years as neighbors. Mike loved to play his music at night. We would listen right along with him. We enjoyed it. He will be missed. Our thoughts and prayers are with Shannon and the family.

“ *Although we only had the pleasure to know Mike for two years he made us feel like family. He welcomed our son as his new son when he married Sarah. He and Shannon also made our grandsons their grandsons too. Mike was a warrior and fought with all he had. He wanted to make memories for his family whom he loved deeply. I know he did that. He will be missed by old friends, new friends and most by his wonderful family. Thank you Mike. Rest in Peace. Love Larry and Jill*

Your brother meant the world to me Lana. I'm honored to have known him and that yourself and your mother both treated me and my family as part of yours. If you ever need anything, I'd be honored to help you and Ms. Nev in his absence. Love you.
